

A photograph of a sophisticated interior room. On the left, a round, dark metal side table holds a small, dark sculpture. Behind it is a large sofa covered in various textured pillows, including a prominent one with a large, light-colored feather. In the center, a floor lamp with a large, light-colored shade stands on a wooden floor. To its right, a dark wooden end table is topped with a gold-colored lamp, a glass vase, and a small white object. Two gold-colored wall sconces are mounted on the dark wall above the sofa.

CITYSCAPES

CityScapes is the quintessential urban home. All the elements of a modern, industrial space come through in this muted color story. A fine line is drawn between subtle and dramatic; CityScapes dances perfectly on it, like a tightrope. This look incorporates various textures and shades of similar neutrals such as grey and beige. Velvet, linen, and cotton work together in perfect contrast and are accented with pops of tonal patterns and prints to keep the design dimensional and unexpected. This look carries a chic and contemporary presence with a minimalistic demeanor.
